

TRANSFORMING THE FUTURE OF MOTOR FUEL

A COMPREHENSIVE AND DISRUPTIVE DIGITAL
MOTOR FUEL MARKETPLACE

INTRODUCTION TO FLEET CUSTOMERS

OUR MISSION IS TO CHANGE HOW MOTOR FUEL IS BOUGHT AND SOLD.

Gasology is the new transformational online marketplace that connects fleet customers with motor fuel suppliers to search for and purchase motor fuel for today, tomorrow and into the future.

Built for virtually all buyers and sellers of motor fuel from the very large refineries to the individual consumer, Gasology provides intuitive tools to search for prices and reserve fuel, letting you discover new choices for virtually **any period** and in **real time**.

DISCOVER, CONNECT AND EXPAND WITH GASOLOGY.

DISCOVER GASOLOGY

BUILT FOR TODAY AND FOR THE FUTURE OF MOBILITY

A REVOLUTIONARY MARKETPLACE

Why can we shop for airline flights before we arrive at the gate prior to departure, but we can't do the same for motor fuel?

At Gasology, we believe everyone should be able to shop for motor fuel **before** driving around on empty.

Gasology gives fleet customers the powerful tools you need to see more choices and buy motor fuel in more ways than ever imagined.

BUILT FOR EVERYONE

Gasology's innovative motor fuel tools are designed to connect everyone who buys and sells motor fuel.

Refineries

Truck stops

Fleets

Marine

Wholesalers/
Distributors

Gas Stations

Aviation

Drivers
