

WELCOME TO THE FUTURE OF MOTOR FUEL

LOUISIANA FUEL BUYER
DISCUSSION

A COMPREHENSIVE AND INNOVATIVE
DIGITAL MOTOR FUEL MARKETPLACE

HOME COURT ADVANTAGE

Headquartered in New Orleans, we wanted to ensure that our local businesses had a personalized introduction to the powerful Gasology technology created by local energy and technology experts with deep roots in Louisiana.

MORE FUEL SUPPLIERS = GOODBYE TO FUEL OUTAGES.

Compare prices from all your current suppliers and connect with NEW suppliers eager to earn your business. We NEVER want to experience fuel outages again.

REAL-TIME EVERYTHING – UNBELIEVABLY POWERFUL TOOLS

Imagine the ability to find real-time prices instantly, whenever you need them. Gasology provides you with the ability search for and compare one-click offers, schedule deliveries, manage your inventories and discover new choices in real-time.

MANAGE ALL YOUR FUEL TANKS

CUSTOMIZED PRICING

The screenshot displays the Gasology Business Solutions Portal interface. It includes a sidebar with navigation options like Dashboard, Fuel Fuel, Deliveries, Activity, Connectivity, Programs, Vessels, and Settings. The main content area is titled 'Find Fuel' and shows a 'Selected Vessel List' with columns for Code, Product, Delivery, FOB, and Type. Below this is a 'Search Filters' section with dropdowns for Vessel Type, Product, and Filter. The 'Supplier Overview' table lists various suppliers and their prices. The 'Best Search Price' table shows the top results. On the right, there's a 'Truck Rack #14' section with a 'JUNE 2022' price of \$2.3103. At the bottom right, a 'Reservation Total' section shows a total of 17327.25.

SHOP & COMPARE prices from all your current AND NEW suppliers in one place.

ONE CLICK and your fuel will be delivered to you.
